Re: Benefit Improvements

Dear Plan Member,

The Board of Trustees are very pleased to inform you of the following benefit plan improvements, all of which are effective from **July 1, 2023**:

Eye Exams: increased from \$50.00 to \$100.00 every 2 (two) consecutive calendar years;

Speech Therapy: increased from \$200.00 to \$600.00 per calendar year;

Dental Implants: added as an eligible expense under the dental plan of benefits;

Orthodontia: added as an eligible expense, for dependant children under age 18; with a lifetime maximum benefit of \$1,000.00.

Members should note that, for both dental implants and orthodontia, a pre-treatment plan (estimate) is strongly encouraged to be submitted to the Insurer, Manulife Financial, prior to services being performed. This will assist Members in knowing exactly the cost the Insurer will reimburse and what the out-of-pocket cost the Member will have to pay.

Regards,

The Board of Trustees
